# Leisure capability statement

---

**Proudly supporting  
the leisure industry with  
steel and aluminium products,  
processing and solutions**

**Steel. Aluminium.  
Knowhow.™**

# Commitment to project success

**We are BlueScope Distribution, a market leading steel and aluminium distributor and solutions provider.**

We are part of the broader BlueScope group of businesses, servicing a wide range of industries in Australia. With a national network of branches across metro locations and major regional towns, BlueScope Distribution can help co-ordinate a full suite of product, processing and project management requirements our customers need.

## Providing end to end solutions to the leisure industry

Our team is committed to providing a diversified range of products, high quality processing capability and a broad range of services which help support our customers to find the freedom they need to do what they do best.

We are proudly Australian. The strength of our steel and aluminium products made for tough Australian conditions aim to deliver confidence to the leisure industry made up of manufacturers of caravans, trailers, bull bars, camper trailers, canopies, trays, and accessories.

## Our product range

### Aluminium

Plate & treadplate, sheet & coil, and extrusions

5005 H34 sheet & coil

5052 H32 / H38 sheet & coil

5052 O (5 bar) treadplate

3003 H22 – bright propeller pattern plate

6xxx Series extrusion

Supplied in a variety of finishes such as mill finish, bright finish, plastic coated, painted and anodised

We also offer a range of laser quality PE coated aluminium sheet products suitable for use with fibre and CO2 lasers

### Steel plate

Grade 250/350

Boiler & pressure vessel

Floorplate & coilplate

Quenched & tempered

### Steel sheet & coil

Cold rolled & hot rolled

Metallic coated

### Tube & pipe

Circular hollow sections

Rectangular hollow sections

Square hollow sections

### Merchant bar

Flat bars & angles

Rounds & squares

# Your single source product, processing and service solutions provider

## 01 Steel. Aluminium.

### Products

We have access to a full suite of steel and aluminium products for the leisure industry including manufacturers of caravans, trailers, bull bars, camper trailers, canopies, trays, and accessories. As a trusted distributor to the leisure industry, we partner with our customers to meet their project requirements.

Backed by our commitment to quality, we help reduce compliance risk through our ISO 9001 quality management system accreditation with documented systems and processes.

Some of our key products include:

TruSpec® Zincolume® Zincanneal®

## 02 Steel. Aluminium.

### Processing

BlueScope Distribution provides a complete range of steel and aluminium processing which enables us to provide ready to use products our customers serving the leisure industry turn into end user solutions.

We are committed to providing high quality processing capabilities, ranging from steel plasma cutting, bevelling, shearing, slitting and re-coiling to complex and precise aluminium router cutting. We also offer external processing with laser cutting (steel and aluminium), blasting and priming steel products to support leisure manufacturing work.

Our key processing services include:

Steel plate plasma cutting, drilling, etching & bevelling

Steel sheet shearing & coil slitting

Aluminium routing, sheet shearing & coil slitting

Aluminium PE film application for surface protection

## 03 Steel. Aluminium.

### Solutions

Highly recognised for our exceptional customer service, we provide our leisure manufacturing customers with end-to-end steel and aluminium project management solutions, delivering personalised supply chain co-ordination. Our teams have the experience to meet project milestones by coordinating material from multiple suppliers, managing production schedules, transport and delivery to provide one seamless point of contact.

Our ability to label and kit material helps some customers to find significant efficiencies in their production, and our team have the technical resources to tackle the most complex project requirements. We can provide storage solutions or VMI (Vendor Managed Inventory) for our customers serving the leisure industry.

Product identification for ease of installation (steel & aluminium surface etching)

Kitting and product labelling

Consignment solutions

B2B Digital system integration for ease of doing business

# Leisure value proposition

## Efficiency

Experience the ease of dealing with a single-source steel and aluminium product supplier, processor and service solutions provider.

## Understanding

Our skilled people with depth of leisure industry expertise, technical know-how, and local knowledge strive to provide a unique level of customer understanding.

## Strength

The strength of our steel and aluminium products made for tough Australian conditions aim to deliver industry confidence.

## Certainty

We are proudly Australian. Through our local supply chain, we provide the certainty to meet tight leisure manufacturing deadlines.
