Your single source product, processing and service solutions provider

01 Steel. Aluminium.

Products

BlueScope Distribution Townsville stock high-quality steel and aluminium products and our team at Townsville take pride in offering friendly, helpful customer service and project management.

As a trusted distributor of steel and aluminium products, we partner with our customers to meet their project requirements. Backed by our commitment to quality, we ensure full material traceability and compliance via our material test certificates. Our team can supply you with a variety of steel products including plate, sheet and coil, structural sections, tube and pipe, merchant bar and building products, as well as aluminium plate, sheet and coil, and extrusions.

Some of our key products include:

Colorbond®

METALCORP
Everything in Steel

LYSAGHT

Bisalloy

Aluminium

02 Steel. Aluminium.

Processing

BlueScope Distribution Townsville provides a complete range of steel and aluminium processing which enables us to provide ready to use products our customers turn into end user solutions.

We are committed to providing high quality processing capabilities including including sheet and coil, plate and structural product.

Our key processing services include:

Steel plate plasma/oxy cutting, drilling & punching

Plasma beamline cutting, drilling & marking

Steel & aluminium bandsaw cutting to length

03 Steel. Aluminium.

Solutions

Highly recognised for our exceptional customer service, we provide customers with end-to-end steel and aluminium project management solutions, delivering personalised supply chain co-ordination. Our teams have the experience to meet project milestones by coordinating material from multiple suppliers, managing production schedules, transport and delivery to provide one seamless point of contact.

Our ability to label and kit material helps some customers to find significant efficiencies in their production, and our team have the technical resources to tackle the most complex project requirements.

B2B Digital system integration for ease of doing business

Consignment solutions

Kitting and product labelling

Product identification for ease of installation (steel & aluminium surface etching)

Take your processing to the next level

PLASMA/OXY CUTTING

We can process steel plate to specified shapes and sizes, using our plasma and oxy cutting capabilities, providing semi-finished components fit for fabrication by our customers.

- Oxy Cutting
- Plasma Cutting
- Handstamping
- Drilling & Punching
- Metric & Imperial Tapping

Profile specifications

Max. Feed Length	7200mm
Max. Width	2540mm
Thickness	6-10mm

Thermal Cutting capacities

Oxy Cutting	20-100mm
Plasma Unit	6-40mm

File format accepted

NC1 (preferred), PDF, DSTV, DXF & DWG

BEAMLINE PROCESSING

We can pre-process structural steel products including welded beams, columns, plate, tube and merchant bar, supplying customers with semi-finished components ready for final fabrication and installation.

- Square Cutting
- Mitre Cutting
- Drilling
- Marking

BANDSAW CUTTING

Capacity

Maximum	1025mm x 470mm
Minimum	150mm x 75mm
Square	1000 WB
Mitre (45 degrees)	610 UB

DRILL MACHINE

Capacity

Maximum	1025mm x 470mm
Minimum	150mm x 50mm
Drilling hole diameter	12mm to 26mm (left, right & top)

File format accepted

NC1 (preferred), PDF, DSTV, DXF & DWG

BANDSAW CUTTING

Our band saw provides customers with long products, such as pipe and tube, cut to length with precision, ease, and accuracy.

- Square Cutting
- Mitre Cutting

Max Cutting Capacity

Angle	0°	+45°	-45°	+60°	-60°
Round	Ø500mm	Ø500mm	Ø500mm	Ø500mm	Ø500mm
Square	500 x 500mm	500 x 500mm	500 x 500mm	400 x 400mm	400 x 400mm
Rectangle (HxW)	800 x 500mm	500 x 500mm	500 x 500mm	400 x 500mm	400 x 400mm
Bundle Cutting	800 x 500mm	500 x 500mm	500 x 500mm	400 x 500mm	400 x 400mm

Feed length	Max	Up to 9000m

Achieving project success

We are proudly Australian and work to provide you with quality steel and aluminium products matched with exceptional customer service. Our Value Proposition is based on the following key product and service offerings:

Efficiency

Experience the ease of dealing with a single-source steel and aluminium product supplier, processor and service solutions provider. With the efficiency of doing business with a one point contact, one platform and one set of paperwork - saving you time and money.

Understanding

Our skilled people with depth of industry expertise, technical know-how, and local knowledge strive to provide a unique level of customer understanding. Matched with our responsive service, technical support and problem-solving approach, our team has your business needs covered.

Strength

The strength of our steel and aluminium products made for tough Australian conditions aim to deliver industry confidence. Our product certification, high testing standards, streamlined logistics and reliable delivery timeframes provide our customers the assurance they need.

Certainty

We are proudly Australian and part of the broader BlueScope group of businesses. Our diversified range of steel and aluminium products, processing capability and project management solutions are focused on helping our customers find the freedom to do what they do best. Through our local supply chain, we provide the certainty to meet tight deadlines.
