Commitment to customer success

We are BlueScope Distribution Portland, a leading steel and aluminium distributor and solutions provider.

Serving the Portland, Mt Gambier, Warrnambool and surrounding regional area, we are your convenient single-source supplier and processor of everything from BlueScope's extensive range of premium products. Additionally, we provide Aluminum sourced from our carefully selected partner brands.

Including a diverse range of processing capabilities, our team offers knowledge and experience, technical knowhow and project management, as well as assisting our customers in managing their supply chain. With BlueScope Distribution you get everything under one roof. It's all about making life easier.

With extensive experience and a comprehensive steel and aluminium product range, we have the ability to service customers supporting a range of industries including farming, agriculture, commercial building and manufacturing.

NEW on-site steel cutting capability

- Our new onsite Cosen saw enables us to cut steel lengths down to size to meet our customers specific requirements.
- We have the ability to cut large format pipe and tube products (up to 500mm round and 500mm square).
