# Bandsaw capability

Our bandsaw is extremely efficient and applicable to a range of materials including steel, aluminum, timber and more.

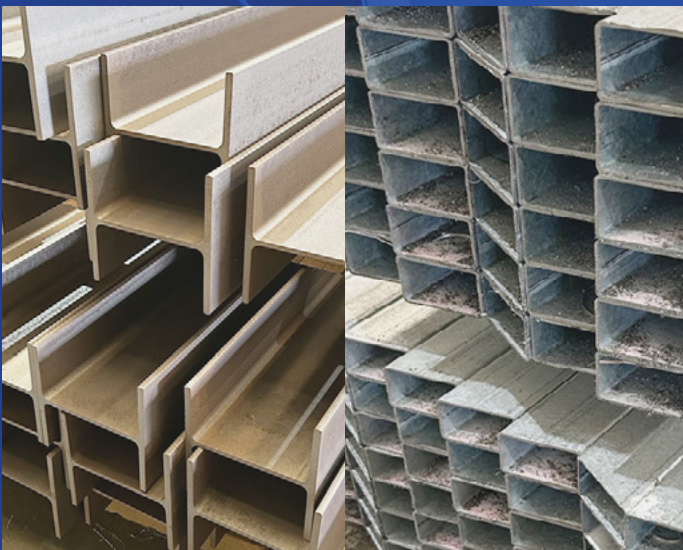

**Reliability and speed:** Rely on our bandsaw for fast and dependable processing, ensuring your steel products are ready when you need them, without compromising on quality.

**Consistent quality:** Achieve consistent, high-quality results with our European machine, which maintains tight tolerances for every project.

Cutting capacity		90°	45°DX-R	60°DX-R	45°SX-L	60°SX-L
	mm	510	510	370	510	380
	mm	510	500	350	500	360
	mm	710×510	560×320	400×240	560×320	400×240
	mm	710×265	-	-	-	-
	mm	710×510	-	-	-	-

710 × 510 max jaw

**Versatile and precise:** Experience clean, uniform sections ideal for structural applications with our highly versatile and precise bandsaw.

**Commitment to excellence:** No matter how intricate your request, we are committed to meeting your unique specifications with precision.

**Customised solutions:** We tailor our bandsaw to meet your specific design requirements, ensuring a seamless fit in even the most complex assemblies.

**High-quality metalworking:** Our expert team delivers high-quality, precise cuts for all your metalworking needs.
